My dear:- Thank the dear Kiddies  
for me & my babies for the  
kind Xmas greeting. It was a  
good Christmas with us. All of  
us in good health and we hope  
to continue so. Mr S's neck feeling  
quite a little better. We had  
pleasant greetings from many  
friends. I am so pleased with  
my "Poppy plate" - Thank you very  
much - I did not open the pkg.  
till Xmas morning but thought  
it felt like a plate then I re-  
membered the plates you asked  
my perfume for. We went to hear  
the Hawaiian Troubadours last  
evening & church this a.m. and out riding  
to San Bruno this p.m. I am tired.  
Are you moving? For to do. "Go"
